Greetings,

When people ask me “What’s happening at The Cliff?” I’m always glad to report, “There’s a lot happening and a lot to be grateful for!” Here’s a glimpse of what we’ve accomplished just in the last six months:

- Opened the new Heelan Hall addition
- Received a $130K grant from the Roy J. Carver Charitable Trust for the development of a molecular biology teaching laboratory
- Announced Centers of Distinction for Justice and Health Care Initiatives
- Increased the number of online learners
- Re-launched our Siouxland Social Science Research Center
- Named among America’s Best Colleges by U.S. News and World Report
- Designated a Military Friendly institution for excellence in serving our military
- Opened the Charger Call Center to connect with alumni and benefactors
- Awarded a $75K grant for the Briar Cliff choral arts program enhancement from The Gilchrist Foundation
- Established a partnership with the Siouxland Y, giving full-time students access to state-of-the-art wellness facilities.

There’s so much more to this list that’s difficult to quantify, such as...

- The joy of hosting 90 senior citizens from area nursing homes for a special lunch on campus.
- On a beautiful autumn Sunday afternoon, nearly 100 students went door-to-door in local neighborhoods and collected 2,335 pounds of much needed food for the Foodbank of Siouxland.
- In January, teams of Briar Cliff students will leave the comforts of home to work with poor villagers in Guatemala and Honduras.

It is only through your generosity and God’s grace that we are able to accomplish all of this and more. And from the smiles, hugs, happy tears and success of those we serve and educate, we’ll be forever grateful.

Blessings,

Beverly A. Wharton
The President’s Report is published annually to thank you, our many donors, benefactors and alumni, for your commitment to continuing Briar Cliff’s more than 80 years of history of providing a quality liberal arts education in the Catholic Franciscan tradition. You are an essential part of the Briar Cliff community. Whether through time, talents or treasure, your selfless giving provides life-changing experiences to hundreds of students. We recognize and thank you for your generosity and commitment to Briar Cliff University.

BCU Earns National Recognition

BCU Among Best Regional Colleges - BCU is nationally ranked for being among the America’s Best Regional Colleges, according to the U.S. News & World Report “Best Colleges 2013” edition. The ranking represents the most comprehensive look at how schools stack up based on a set of widely accepted indicators of excellence.

“This report confirms the high quality of Briar Cliff’s baccalaureate degree programs,” said Shariwilse Wellcoxon, vice president of Enrollment Management. “Our students thrive in an environment that promotes personal growth and professional promise.”

National Service Award - Briar Cliff was recently named to the 2012 President’s Higher Education Community Service Honor Roll by the Corporation for National and Community Service and the U.S. Department of Education. Honorees are chosen on the scope and innovation of service projects and the extent of service-learning in curricula, among other criteria.

“Briar Cliff has a long tradition of service,” said Beverly A. Wharton, president of Briar Cliff University. “We embrace our Franciscan tradition of excellence in an environment of care, compassion and service by providing our students and staff with volunteer, service-learning and civic opportunities locally, nationally and internationally.”

Homecoming 2012

Jameel Cunningham of St. Louis, Mo., and Nicole Bruch of Audubon, Iowa, were crowned Briar Cliff University's 2012 Homecoming King and Queen at Coronation in October.

An accounting major, Cunningham is the son of Rosalind and James Cunningham of St. Louis. He is a member of BCU's football and track and field teams, Enactus, Football Leadership Council and Volunteer Income Tax Assistance Program.

Bruch is the daughter of Brian and Nancy Bruch of Audubon. A biology and chemistry major, she is a Briar Cliff Peer Advisory Leader, Resident Assistant and member of Catholic Daughters, Cliff Singers and Science Club.

Members of the Briar Cliff University 2012 Homecoming Court were nominated by their peers through online polling.

Forever Grateful

Briar Cliff runs in my family. My father, Scott Hindman, is a 1983 graduate and my mother, Jeanne Hindman, studied at Briar Cliff. From my parents’ positive experiences, I always knew I wanted to attend BCU. However, my parents made it clear that when I went to college, I would have to pay for my schooling. I didn’t think I could afford Briar Cliff but applied anyway. I then spent time looking at public universities but was dissatisfied with what I found. When I got my award letter from BCU, I was shocked by all of the scholarships the University offered me. With Briar Cliff’s financial assistance, my summer jobs and some student loans, I had enough to pay for my college education!

My four years at The Cliff have gone fast. Since I began my life as a Charger in 2009, BCU has become more than just a college to me – it is a community where I will remain a part of long after I graduate. It is a place where I have been challenged both intellectually and creatively and have grown spiritually.

On behalf of all BCU scholarship recipients, I extend my deepest gratitude to our donors, who have given us the amazing gift of opportunity. We are forever grateful.

Dear Mr. Paul Engle,

Thank you for establishing and funding the IMC Building Services Annual Scholarship. I am honored to receive this scholarship and to have the opportunity to attend Briar Cliff University.

I chose BCU because of the close-knit campus community and all of the friendly faces. On campus, I am involved in Cliff Singers, Science Club and many other activities. As president of the Residence Hall Association, a residence assistant and vice regent for Catholic Daughters, I am gaining valuable leadership experience.

I am a senior with a double major in biology and chemistry, and I look forward to the opportunity to use my degree in a professional setting as a lab analyst.

Thanks again for your generosity.

Sincerely,
Nicole Bruch

Franciscan Heritage Society

The Franciscan Heritage Society was established to honor and thank all donors who make large plans to provide for the future of Briar Cliff University. Donors are recognized as members of the Franciscan Heritage Society by including Briar Cliff in their estate plans through any of these financial methods: placing Briar Cliff University in a will, making Briar Cliff University the beneficiary of an insurance policy or making Briar Cliff University the beneficiary of a trust. As always, donors should consult their personal attorney, accountant and financial planner to fully maximize the benefits of the transfer of assets to designated beneficiaries. We do encourage donors to inform the University in writing of their charitable intentions through their estate plans so we can recognize their generosity through membership in the Franciscan Heritage Society. Briar Cliff honors all requests for anonymity.

Serving Senior Citizens

Nearly 90 residents of five Sioux City nursing homes and care facilities were treated to lunch and entertainment on campus at BCU’s Annual Senior Citizens’ Day Out in October.

Hosted by BCCares and Campus Ministry programs, BCU guests enjoyed lunch served by students, faculty and staff and musical entertainment by Dr. Jeremy Owens and the BCU Choirs, directed by Dr. Sean Burton.

“We extend our spirit of service to the community, especially to those who are homebound or don’t have the freedom to get out much,” said Gil Ridenour, associate campus minister and director of BCCares. “We also want senior citizens to know that we care about them and value our time with them.”
